## VENDOR CLASSES

<b>KIDSTAGE Acting</b>	Bring colorful characters to life through creative stories, games, and teamwork. Put it all together on stage for friends and family. Exploratory acting classes provide literature-based drama activities that promote literacy comprehension, confidence, collaboration, and creativity.
<b>Scratch Coding Beginner Level</b>	Students will develop coding skills in Scratch, an open source MIT application, and will explore basic programming concepts. When kids learn to code in Scratch, they learn important strategies and logics for solving problems, designing projects, and communicating ideas. Students will do many hands-on exercises to learn the concepts. Finally, they will get engaged in creating their own video games and animated stories by themselves or in a team. Grades 2nd-5th
