

Lake Washington Schools Foundation

Make a difference every day!

Kids never stop learning, all day, every day, 365 days a year.

Your gift to the Lake Washington Schools Foundation will fund key initiatives and critical classroom tools to help students learn in school and at home.

Your investment of \$1 a day – \$365 – funds a 21st century education, which prepares students for success in college, career and life.

A donation to Lake Washington Schools Foundation puts students on the path to success with:

Educational Opportunities

Including support for literacy, math and fine arts through online and classroom tools, volunteer tutors and mentors, and scholarships for middle and high school students, so that every child has access to learning, 365.

Future Ready Skills

Funding for science, robotics, technology, and the new STEM-based Signature Programs at high schools enables students to develop competencies and creativity to solve world problems, so that they graduate prepared for the challenges ahead, 365.

Quality Teaching & Leadership

Providing teachers with essential curriculum resources and training to engage students more deeply inside and outside the classroom, so that students connect what they learn with the real world, 365.
