

# ENVISION THE FUTURE OF SAMMAMISH

## Sammamish Community Visioning Project

This project will ensure a strong and clear Community Vision to guide the future of Sammamish. Because the Vision is a reflection of community voices, we're inviting everyone to talk about which aspects of the city are most important, what our community's values and priorities are, and what a bright future in Sammamish could look like.

## Important Upcoming Events

### OCTOBER 26

City of Sammamish Town Hall meeting
