KIDS UNIVERSITY PROGRAM LOGISTICS & POLICIES

- Classes take place in the Cafeteria at Margaret Mead Elementary between the hours of End of School-6:00pm on Monday-Friday.
- Kids University provides multiple enrichment classes per hour block. Please select one class per hour block for enrichment pass and as few or as many classes as you would like per block for by-class.
- Payment Information:
 - Enrichment Pass: Payment is automatically deducted on the 1st of the month for participation in that month's program. Payment will continue to deduct monthly until cancelled or the final payment on June 1st.
 - By Class: Payment is made in full prior to the start of each session.
- The YMCA Kids University Enrichment Program follows the Lake Washington District Calendar.
- Programs are offered on No School Days and Early Release Days. **However participation on non-school days require additional registration and payment**
- **Cancellation Policy**: For withdrawal or cancellations, we require written notice 15 days prior to the participants end date. Failure to do so will make the payment non-refundable. Registration fee is non-refundable.
- Financial assistance through the Y and can find our financial assistance application online at www.ykids.org.

Vendor Taught Class Descriptions

Acting 1 - Magical Character Creations	Join Village Theatre KIDSTAGE in Acting 1: Build characters from the group up using your voice, body, expression and creativity. Be inspired by characters from magical tales such as Harry Potter, Matilda and The Chronicles of Narnia. Grades 3rd - 5th.
All-Sports	Join One on One Basketball, Inc.—This class is for kids of all athletics levels, from beginners to advanced. We will be exploring and learning several different sports (basketball, soccer, Frisbee, etc.) all while focusing on teamwork, staying positive, and having fun! Grades 1st - 4th.
Art Workshop	Join Anna and Joyce—this hands-on art class encourages students to explore their own personal expression and creativity through the use of raw, new and used material, producing both 2- and 3 - dimensional art projects. Tailored for all ages so that each student can feel successful in their art-making. We focus on color, line, form, texture, value and space with a variety of materials including, clay, paint, pastels, collage, ink and other processes. Taught by professional artists who work in the community! Additional \$30 supply fee to be paid in the first class to the instructor.
Code with SCRATCH	Join TECHVENTURE KIDS - In our game and animation coding clubs we guide children through hands on computer projects using simple, yet powerful "drag and drop" programming environments. Engaged in creating their own characters, animations and games, children are also exercising reasoning, logic, math and language art skills and learning basic programming concepts. Grades 3rd - 5th
Exploratory Acting-Zootopia	Join Village Theatre KIDSTAGE in Exploratory Acting: Tales (or tails) of extraordinary eccentric critter are the inspiration for this adventurous class. Make sure to, "Try everything," as bunnies, foxes, and other fun critters. Students bring to life colorful characters through creative stories, crafts and costumes. Grades K - 2nd
Origami Club	It has long been known that origami has many benefits like developing eye hand coordination, sequencing skills, attention skills, patience, temporal spatial skills etc. We will learn basic folding method and build up folding skills. Grades 1st - 5th.
Robot U's WeDo Jr Robotics	Join Robot U - Young students learn programming and engineering when they build actual working robots with LEGO® WeDo®. In this class students will be paired up to build and program simple robots that use a motor, sensors , and LEGO®'s simple to use drag and drop programing software. This is NOT a free play activity, but a class with actual lessons (regardless of how fun it is). Grades 1st - 5th
Robot U's MIND-STORMS Robotics	Join Robot U - Students learn programming and engineering while the build working robots with LEGO® MINDSTORMS®. In this class students will be paired up and challenged to engineer and program robots (often of their own design) that use motors and sensors to accomplish tasks or compete against other teams. This is NOT free play activity, but a class with actual lessons (regardless of how fun it is). Grades 3rd - 5th

YMCA Taught Class Descriptions

All Sorts of Sports	Sports, sports, and more sports! Play traditional sports such as; basketball, soccer, football. Or get wild and wacky with, kisketball, bump, and capture the flag.
Blend It	Blend away as we make a new food creation each week using a blender!
Board Games	Join us and test your strategies for board games such as Clue, Monopoly, Sorry, Chess, and more.
Cardio Blast	Get active with Cardio Blast! Each week, we will be playing various running and tagging games to get kids active and moving.
Cartoon College	Ever wonder where cartoonists learned to draw? Well, in cartoon college we will learn some of the basics of this hilarious art form.
Claymation	Time to use your hands and be creative! Clay will be used throughout the session as kids use their creativity and imagination through sculpture and painting.
Cool Cooperatives	Gain skills, build confidence and strengthen the team as you play a variety of teambuilding games
Dodgeball	Enjoy a classic elementary school game while learning new variations to play with friends!
Drawing 101	Want to learn how to draw or beef up on your drawing skills? We will learn different techniques and figures each week.

YMCA Taught Class Descriptions Continued

Dreamwork,	Students will learn the value of teamwork by playing a completing a variety of games and activities.
Duct Tape Art	Duct tape can create some of the coolest art pieces and functional art. Bring your creativity and tape ripping skills to this fun and inventive class.
Engineering 101	Learn to build and create using basic engineering strategies.
Experiments–Mania	It is going to get WILD! Each week you will conduct a variety of experiments from the wonders of gravity, sound, light, to optical illusions.
Fitness Challenge	Challenge your fitness each week by building your strength and endurance through a variety of activities.
Gym Games	Join us in the gym for endless fun and get your heart rate up at the same time! Activities may include obstacle courses, basketball, dodgeball, relays, tag, and so much more.
Game Creation	Want to learn to plan, design, and create your own board or card game from scratch? This class is just right for you. Bring on your game!
Get Crafty	Join us for a class full of crafts using different material and supplies for each project each week.
Kids Gardening	Learn to garden and grow from inside the classroom and help to grow your own garden.
Lego Time	The little blocks that bring out creativity. Have fun creating and being challenged while building a variety of projects.
Master of Mazes	Concentrate on brain games, mazes and so much more. Create new mazes, try friends mazes and create mazes as a group.
No Bake Delights	Make It But No Need To Bake It! All recipes require zero use of an oven! Learn to make fun and somewhat healthy snacks you can make at home for your family and friends.
Off to the Races	It's off to the races with the Y staff and peers, working as a team to complete a variety of relay races each week.
Outdoor Games	Get outside and learn and play the best outdoor games. Bring them back to friends and family for hours of outdoor fun
Parachute Games	Join Y staff to play games using a parachute.
Rainbow Loom	Learn different looming techniques and come home with loom jewelry you made!
Running Club	Join Y staff to learn about running techniques as well as practicing running endurance.
Think Tank	Expand your brain and challenge yourself each week by solving riddles, Sudoku, mazes, puzzles, crosswords, hidden pictures and much more as well as a time for them to do their homework.
We–Mix–A lot	Are there so many classes the Y offers you don't know which ones to choose! Well, you are in luck! Each week we will do an activity from one of the classes we offer each week. We will experiment, create, write, play, build , and so much more. Join us for weeks of endless fun!
You're It!	Learn new variations of a recess classic tag games, from plain old tag to blob tag and even everybody's it tag.
Zentangles	Who knew art could be so calming, your child will create zentangles and color different zentagles to create cool pictures.
