KIDS UNIVERSITY PROGRAM LOGISTICS & POLOCIES

- Classes take place in the Cafeteria at Margaret Mead Elementary between the hours of End of School-6:00pm on Monday-Friday.
- Kids University provides multiple enrichment classes per hour block. Please select one class per hour block for enrichment pass and as few or as many classes as you would like per block for by-class.
- Payment Information:
 - **Enrichment Pass:** Payment is automatically deducted on the 1st of the month for participation in that month's program. Payment will continue to deduct monthly until cancelled or the final payment on June 1st.
 - **By Class:** Payment is made in full prior to the start of each session.
- The YMCA Kids University Enrichment Program follows the Lake Washington District Calendar.
- Programs are offered on No School Days and Early Release Days. **However participation on non-school days require additional registration and payment**
- **Cancellation Policy:** For withdrawal or cancellations, we require written notice 15 days prior to the participants end date. Failure to do so will make the payment non-refundable. Registration fee is non-refundable.
- Financial assistance through the Y and can find our financial assistance application online at www.ykids.org.

Session 4	April 10	June 21

Vendor Taught Class Descriptions

Magical Character Creations 	Join Village Theatre KIDSTAGE in Acting 1: Build characters from the group up using your voice, body, expression and creativity. Be inspired by characters from magical tales such as Harry Potter, Matilda and The Chronicles of Narnia. Grades 3rd - 5th.
All-Sports 	Join One on One Basketball, Inc.—This class will introduce the fundamentals of several sports to the kids, allowing them a comfortable setting to explore competition, grow in their motor skills and personal development, and to HAVE FUN! Grades 1st - 4th.
Art Workshop 	Join Anna and Joyce—this hands-on art class encourages students to explore their own personal expression and creativity through the use of raw, new and used material, producing both 2- and 3- dimensional art projects. Tailored for all ages so that each student can feel successful in their art-making. We focus on color, line, form, texture, value and space with a variety of materials including, clay, paint, pastels, collage, ink and other processes. Taught by professional artists who work in the community! Additional \$30 supply fee to be paid in the first class to the instructor.
Code with SCRATCH 	Join TECHVENTURE KIDS - In our game and animation coding clubs we guide children through hands on computer projects using simple, yet powerful "drag and drop" programming environments. Engaged in creating their own characters, animations and games, children are also exercising reasoning, logic, math and language art skills and learning basic programming concepts. Grades 3rd - 5th
Fairytales and Fables 	Join Village Theatre KIDSTAGE in Exploratory Acting: Once upon a time there was a wonderful acting class for whimsical children. Come act out your favorite tales from popular literature and folklore with your friends while exploring character development and story structure. Build your confidence as you expand your imagination and literacy skills. Grades K - 2nd
Origami Club	It has long been known that origami has many benefits like developing eye hand coordination, sequencing skills, attention skills, patience, temporal spatial skills etc. We will learn basic folding method and build up folding skills. Grades 1st - 5th.

YMCA Instructor Taught Classes

3-d Art	Use simple materials to create art which really stands out.
Amazing Aerodynamics	Learn about the principals of flight and aerodynamics each week while learning how to create a new paper airplane each week.
Art 101	Each week we will cover some of the basics of art and learn new principals and concepts.
Artists Showcase	Explore the work of some of the world's best artists and learn to imitate their style each week.
Ballerific	Like games? Each week we will learn to play new games which use a variety of types of balls.
Bedazzling Beads	Work with beads to create a variety of projects to take home and show off to your friends.
Brain Games	Challenge your brain with a variety of brain teasers and challenges.
Builders Workshop	Work with different materials to create an engineering or STEM based project each week.
Cardio Blast	Get your heart pumping with different types of active games to get you moving.
Comic College	Work throughout the session to create your vey own comic characters and stories.
Crafty Kids	Students will be able to create fun and easy crafts each week to take home and show off.
Crazy Cards	Learn new card games each week to challenge friends and family.
Create A Sport	Together as a class use given items or rules to create new and different games each week.
Creative Writing	Explore your creative side and create stories to share.
Culture 101	Learn about different cultures through art and activities which explore the world around you.
Designer's Challenge	Challenge your creative side to come up with something fresh and exciting.

More YMCA Instructor Taught Classes

Dodge Ball	Enjoy a classic elementary school game while learning new variations to play with friends!
Fuse Beads	Design and fuse these beads into art which you can show off to friends and family.
Gym Time	Spend some time in the gym learning new gym games and playing some great classics!
Group Games	Learn a variety of games to play with friends at recess or at the park.
Hoop It Up	Come enjoy simple basketball activities and games. Play things like bump, horse and more!
Improvisation	Learn the art of improv with your friends as we joke, imitate and act our way through fun activities designed to teach students how to improvise with each other.
Krafty Kids	Work as a team or alone to create different crafts and projects each week.
Lego Time	With Legos, the only limit is your imagination. Each week, students will break into teams (except for week 8) to build their own Lego creations with a specific challenge or theme.
Magic 101	Come learn creative and new magic tricks to take home and show your friends
Master of Mazes	Work alone or with a friend to find your way in our master of mazes class.
Math Games	1, 2, 3, games in this class will stress your knowledge and arithmetic in a fun laid back manner.
No Bake Delights	Make It But No Need To Bake It! All recipes require zero use of an oven!
Out of This World	Enjoy learning out space? Join this class to learn and do different activities about space.
Tag-it Run-it	Learn new variations of a recess classic, from plain old tag to blob tag and even everybody's it tag.
Team Building	Join Y staff and participants to play games and learn new activities to build relationship and team skills.
Think Tank	Challenge your brain with brain games or work on your homework with the help of a YMCA staff member.
