KIDS UNIVERSITY PROGRAM LOGISTICS & POLICIES

- Classes take place at Blackwell Elementary between the hours of End of School-6:00pm on Monday-Friday.
- Kids University provides multiple enrichment classes per hour block. Please select one class per hour block for enrichment pass and as few or as many classes as you would like per block for by-class.
- Payment Information:
 - Enrichment Pass:** Payment is automatically deducted on the 1st of the month for participation in that month's program. Payment will continue to deduct monthly until cancelled or the final payment on June 1st.
 - By Class:** Payment is made in full prior to the start of each session.
- The YMCA Kids University Enrichment Program follows the Lake Washington District Calendar.
- Programs are offered on No School Days and Early Release Days. **However participation on non-school days require additional registration and payment**
- Cancellation Policy:** For withdrawal or cancellations, we require written notice 15 days prior to the participants end date. Failure to do so will make the payment non-refundable. Registration fee is non-refundable.
- Financial assistance is available through the Y and you can find our financial assistance application online at www.ykids.org.

VENDOR CLASSES	
Acting in Zootopia - Village Theatre KidsStage	Join Village Theatre KidsStage -Extraordinary eccentric critters are the inspiration for this adventurour class. Try everything as bunnies, foxes and other fun critters, inspired by Disney's Zootopia. Bring to life colorful characters through creative stories, crafts and costumes.
Computer Graphics- Techno Smart Kids	Join Techno Smart Kids - Kids need to use graphics for their project presentation or create a character or backdrop for their new video game or just create a fun poster. In this program students will learn to use PhotoFiltre, a digital image editing software (like Photoshop) Kids will learn to retouch and manipulate images, and create a rich gallery of unique and fascinating images using various tools, fun effects and techniques
Go Time - Overtime Athletics	Play Ball! Come join OTA for our ALL games ALL the time after school program. Gotime’s exclusive game-play format features a variety of sports (Basketball, Soccer, Flag Football, etc.) and will be structured as a REAL GAME from start to finish. Loosen up, warm-up, and choose up sides, then get ready to play! Coaches will organize each game to teach kids the rules of competition, team play, and sportsmanship. We have always believed athletes get better the more they play. Here is your chance! This orga-nized scrimmage every week will give players the opportunity to test new skills and get more comfortable in game situations. Come be a part of our TEAM! Every child gets an OTA H.I.G.H. F.I.V.E.S. Participation Medal!!
Make your own Com-puter Games - TechVenture Kids	Do you play games and wonder how they are made? Come learn how to build computer games with TechVenture Kids. In this fun after-school class, you will be introduced to the core concepts of computer programming using the Scratch development platform. With our progressive curriculum, kids express creativity, make fun games and quickly gain coding skills - moving to the next skill level after just 1-2 sessions. Don't miss the fun in this enrichment class
Origami	It has been long known that origami has many benefits like developing eye and hand coordination, seuencing skills, attention skills, patience temporal spatial skill etc. We will learn basic folding methos, build up folding skills.
Sports Spectacular - Overtime Athletics	Let’s Play! Save the best for last by finishing up the school day with Sports Spectacular, a variety athletic program that features different sports throughout the session. Participants will practice skills and play games in both traditional sports and playground favorites. The Sports Spectacular Variety Program features the best “to-do” list ever – Basketball, Soccer, Flag Football, Kickball, Capture the Flag, Wiffle Ball, Bump and Bite, Knights and Dragons, Numbers Game, Tag Games, Safe Base and MORE! OTA covers all the bases with our emphasis on playing, teamwork, sportsmanship, and fitness. Don’t miss out on the FUN! Every child gets an OTA H.I.G.H. F.I.V.E.S. Participation Medal!!
STEMulating Science - Mad Science of Sno-King	Our Jr Mad Scientists put the STEM into science as we examine how potential and kinetic energy is used to power toys, learn about frequencies and cell phones, explore what life is like underwater, discover how the sun, wind, and water make electricity, and experiment with action-reaction forces as we investigate Newton's Three Laws of Motion.
YMCA LED CLASSES	
3D Art	Lets get the art to come off the page.
All Notions	Want to learn how to sew, make a scarf, hat, pot holder and so many other project choices? In this class well will sew, knit, and or weave and the projects are for all skill levels.
All sorts of Sports	Learn and play a new sport each week
Amazing Aerody-namics	Learn about the principals of flight and aerodynamics each week while learning how to create a new paper airplane each week.
Art 101	Calling all artists! This course will explore different drawing techniques and tools/materials used for art.
Board Games	Learn strategy and patience as you play various board games with and against your friends.
Boot Camp	Get up and get moving with Boot Camp! Each week students will learn about the importance of exercise and staying healthy!
Brain Games	Challenge your brain with a variety of brain teasers and challenges.
cardio blast	run, jump and get your heart beat up in this fun and energenic class
Comic Collage	Ever wonder where cartoonists learned to draw? Well, in cartoon college we will learn some of the basics of this hilarious art form.
Cool Coloring	Relax and unwind in this coloring class.
Creative Writing	This class encourages the idea that every student is a writer in their own way. Each week the students will build their storybook they will keep onsite until the end of the session where they will be able to take it home.
Culture 102	Starting with a lesson of the world map, students will “travel” around the world, exploring the history of different countries and cul-tures while creating art projects based on that country.
Dodgeball	Enjoy a classic elementary school game while learning new variations to play with friends!

YMCA LEAD CLASSES	
Drawing 101	Want to learn how to draw or beef up on your drawing skills? We will learn different techniques and figures each week.
Duct Tape Art	Duct tape can create some of the coolest art pieces and functional art. Bring your creativity and tape ripping skills to this fun and inventive class.
Field Fun	Learn some cool new games that don't require any extra equipment, just an open field!
Gadget and Gizmos	Use a variety of everyday materials and transform them into creative machines which accomplish a simple task.
Get Crafty	Learn how to create art from all sorts of materials including soap, foam, popsicle sticks and more!
Gym Games	Learn a variety of new games from board games to puzzles to group games, anything you can think of.
Magic 101	Come learn creative and new magic tricks to take home and show your friends
Mega Builders	K'nex, brainflakes, and Legos, oh my! Make a new mega build every week and see your creations come to life!
No Bake Delights	Make It But No Need To Bake It! All recipes require zero use of an oven!
Rainbow Looms	Learn different looming techniques and come home with loom jewelry you made!
Reading Corner	Come relax and read while building reading skills and vocabulary.
Sportsmanship	Discovering the importance of sportsmanship through interactive games, activities, and group work.
STEM	Maintain and enhance your volleyball skills with your peers and Y staff!
Tag It, Run It	Play classic tag games and learn new ways to play
Volleyball 101	Do you enjoy relaxing and stretching? Then Yoga is for you! We will learn new Yoga poses each week with one of our Y instructors.
Waffles of the World	Waffles are a fun breakfast food but not every waffle has to be for breakfast! We'll be learning about other countries food and convert that into a waffle!
Wonders of the World	CoA class for all young adventurers! Learn about the classic wonders of the world as you create mini replicas of each design.
Yoga	Do you enjoy relaxing and stretching? Then Yoga is for you, will also learn new Yoga poses each week with one of our Y teachers
You're It	Run, Run, Run as you learn new tag games in this fun and heart pounding class.
