"Salutations!" Become favorite characters such as Fern, Wilbur the pig, Charlotte the spider, Templeton the rat, and more from E.B. White's treasured story about the most unlikely of friends. Develop memorable characters while exploring concepts such as voice, movement, character objective, and stage presence.

About Village Theatre KIDSTAGE:

Village Theatre KIDSTAGE is uniquely designed to use theatre to build critical life skills in each participant. In KIDSTAGE classes and rehearsals, our techniques encourage creativity, collaboration, problem solving, concentration, public speaking, and a strong work ethic. While some students are on a path to Broadway, all students are improving their futures and increasing self-confidence through involvement in Village Theatre's Youth Education Programs. KIDSTAGE hires highly trained professional artists and arts educators and provides them with additional training in child development and KIDSTAGE techniques. Most teachers have years experience teaching youth in the performing arts before joining the KIDSTAGE staff.
